## Steel? Getting hard to get?

Let us help you convert that rectangular job to Lindab Spirosafe. You don't have to buy steel or use the steel you already have. We can work with you to give you round or oval equivalent sizes.

### Sound Attenuators

We are now selling Kinetics Noise Control Sound attenuators. Please call us to get excruciatingly good (it hurts us, the prices are so low) prices for extremely good products.

## Lindab opens Plant in Massachusetts

Lindab has opened a manufacturing facility in West Springfield, MA. This facility will be making spiral duct for the New England market. This will allow us (Lindab) to offer quicker delivery with lower freight costs. We look forward to meeting all your spiral needs with Lindab Spirosafe (gasketed) duct and fittings.
