

The Tin Spin

1 + 1 = 3

Yes, it is true. Sometimes when two entities are combined the result is bigger than both.

Air-Engineering/Filters, Inc and **Leonard F Luchner, Inc** have combined to become **Northeast Air Solutions**. As **Northeast Air Solutions (NAS)** we will have three offices and three warehouses to serve you. Representing Titus, Ruskin, Flanders, Lindab, Purolator, AMPCO, Metalbestos, Kinetics Noise Control, Flame Bar BW11, Ward, Brasch, Hardcast, Gripple, Airsan, Seiho, American Aldes, Thermaflex, ACME, Ward, Durodyne, Dwyer, Sheet Metal Connectors, CertainTeed, Trox, ICC, etc., etc., etc. We are looking forward to providing you with the products and services you may require. Many of these items will be available for pick-up or delivery from any of our three warehouses. The good news/ bad news, as we move forward with Tin Spin, is we will have less time and space to tell you about Gripple. So, on with the news.

270 Center St.—Unit F

3 seems to be the number of the day

Did you know that **RUSKIN** will build and ship a fire damper in a sleeve with an access door installed in the sleeve—One assembly—one item to install. How much time (money) can be saved?

Duct Liners

Northeast Air Solutions stocks Armaflex—fiber free, closed cell foam insulation. Not only does this product comply with UL 723, UL 94 5V-A, V-0 we also comply with the City of Los Angeles RR 7642

Ward Connectors

In honor of July 4th we are giving away an MP3 player. To enter the contest please answer the following question. **How many colonies made up the original 13 colonies?**

Please e-mail your answer to me to be entered—Thank you
